

KATY SMILE DESIGN

Wellness Plan

At Katy Smile Design, our patients are part of our dental family. We are committed to providing our family with the very best in care, technique & technology that dentistry has to offer. We always provide you with the very best solutions possible for maintaining and improving your oral health and allow you to make informed decisions about the care you can receive. We believe that your commitment to your health and wellness shouldn't be a financial decision; but a personal one.

A FLEXIBLE WAY TO CARE FOR YOUR HEALTH & WELLNESS

Katy Smile Design has been caring for our community since October 2012. Over the years the needs of our patients change and we look for ways to meet those changes. Many of our patients find themselves without dental insurance or are simply unhappy and frustrated with their limited dental coverage.

In an effort to eliminate the limitations and barriers of traditional dental insurance and allow our dental family freedom and flexibility to enjoy quality, affordable care we created the Katy Smile Design Wellness Plan. Our wellness plan is an in-house, pre-paid yearly plan designed to ensure our patients have access to preventative care as incredible savings on all other services. It is our sincerest wish that our wellness plan will help you achieve your health and smile goals.
