

Smile Advantage Membership Plan

At Nederland Family Dental we are committed to providing top-notch dentistry that prioritizes our patients' well-being above all else. A significant aspect of this commitment is ensuring our patients fully understand their dental health options. Our goal is always to provide you with the best possible solutions tailored to your unique dental health needs, empowering you to make informed decisions about your care.

The Smile Advantage Membership Plan is an in-office membership plan for those without dental insurance, providing exceptional benefits for our valued patients.

The increase in dental insurance limitations and reduced coverage for necessary treatment can often compromise patients' quality of care. We offer an alternative approach to focus on providing comprehensive and personalized care that puts our patient's health first.

The Smile Advantage Membership Plan has no deductibles, no maximums, and no restrictions or limitations. Your membership fee is due in full at the time of joining. Once you are a member, you can immediately receive treatment!

10% OFF
